BRIGHTONBEST

International (AU) PTY LTD.

We are proud to be a TEAM company that recognises the true net worth of each individual employee.

Our company seeks to fulfil each individuals goals without regard to sex, race, religion, or political affiliation. In doing so we have been able to build a TEAM Spirit that successfully fills the growing needs of our distributors.

Our company has provided us with the opportunity to affirm our individual aspirations. It has encouraged us to fully participate in the policies of our company in serving the needs of our distributors.

The doors to our company are open to all as we look forward to accepting the challenges of the future.

*A cornerstone to
success has been
Brighton-Best's
hands-on partnership
with its distributor
network, ensuring fast,
efficient advice on
market applications.*

FOUNDED 1925

TO OUR VALUED CUSTOMERS

Thank you for choosing **Brighton-Best** as your supplier of Stainless Steel Sockets in Australia and New Zealand. This new catalogue's format will help you quickly select the right products from our extensive range of high quality fasteners.

Brighton-Best has been servicing the fastener industry for more than 80 years. **Brighton-Best** Stainless Steel Sockets are manufactured and tested to the highest quality standards, by using the very latest technology. Factory sealed packaging carries a clear pictorial description of size, type, bar-coding, material and count to provide complete product traceability.

Brighton-Best operates an A2LA approved Testing Laboratory, using the most advanced fastener inspection equipment available. This facility is available to all customers, worldwide.

As part of a worldwide distribution network, large stocks of **Brighton-Best** Stainless Steel Sockets are held in Melbourne, Sydney, Brisbane, Perth and Auckland to ensure reliability of supply and excellence in service for customers.

SUMMARY OF TERMS & CONDITIONS

Full terms & Conditions available upon request.

1. Returns will only be accepted, with proper authorisation from Brighton-Best, within fourteen (14) days of invoice date. A 15% restocking fee may apply to returned goods. All returns must be in original packaging and in resaleable condition.
2. Any product that has been reworked or specially manufactured can not be returned for credit.
3. Prices printed in this catalogue are current at time of printing and are subject to change without notice.
4. While all care was taken in producing this catalogue, Brighton-Best accepts no responsibility for any errors.

COMMITMENT TO DISTRIBUTORS:

SERVICE

When using Brighton's 148 product lines you will have "Off The Shelf" availability for 15,000 different lengths, diameters, head styles and materials at your fingertips. Same day dispatch of your orders is a standard that Brighton-Best subscribes to world-wide.

QUALITY ASSURANCE

Brighton-Best alloy and stainless steel socket screws and alloy hexagon bolts are produced by the cold-forming process to guarantee continuous grain flow and superior quality. Diameters 1-1/8" and larger are hot-forged with the help of controlled induction heating. Chemical, Physical, and Mechanical specifications are on file and available on request.

TRACEABILITY

The most modern testing equipment is used on an on going basis during production runs to guarantee the quality Brighton-Best has produced for over 75 years. Rockwell hardness, tensile testing and carburization analysis are only a few of the tests performed on Brighton-Best socket screws to guarantee the end-user a quality tested product. Certification of these tests are kept on file for a minimum of 10 years.

ENGINEERING STANDARDS

Only the finest grade of steels and the most modern heat-treating facilities are used to produce Brighton-Best quality products. Our socket screws are manufactured to meet the rigid specifications demanded by BS, DIN, ISO and ANSI Standards. SPC controls are used throughout the entire manufacturing process assuring a premier socket screw product upon completion.

DIVERSIFICATION

Since our founding in 1925, Brighton-Best has been committed to providing our distributors with the finest quality socket products. Brighton products are associated with the ever-changing technological advances in industry. Our socket screws can be found in use at aerospace and aeronautical plants, in computers, construction and mining operations. Wherever there's a need for socket screws you will find Brighton-Best products in use. Brighton socket screws are stocked in varying metals including alloy, 304 stainless (A-2), 316 stainless (A-4), monel, brass and silicon bronze meeting the ever-changing needs of our industry.

PACKAGING

Sturdy, tamper-proof packages with unique bar-coding guarantees the integrity of Brighton socket screws. Manageable box quantities will increase your sales and reduce your inventory costs. Sophisticated packaging equipment are used exclusively guaranteeing accurate counts for each box of socket screws. The label on our box offers a clear pictorial description of size, type, material and count. All packages are factory-sealed and bar-coded to prevent tampering.
